

**Sharon MacDonnell - Director Sustainability and Innovation, Department of Sustainability and Environment, Victoria**

Sharon MacDonnell is the Director of Sustainability and Innovation within the Environmental Policy and Climate Change Division of DSE. Sharon's responsibilities extend across urban sustainability, government leadership in sustainability and sustainable resource use in areas such as energy, transport and waste.

Sharon has held a number of senior management roles across government in a range of areas of environmental sustainability, including VicRoads and the Forests Services (then NRE).
