

Steve Gibbs, Director-Government and Industry Liaison, Investor Group on Climate Change (Australia & New Zealand)

Steve Gibbs is Director-Government and Industry Liaison with the investor Group on Climate Change (Australia & NZ). He is Chair of the Responsible Investment Academy and is an independent Director of Hastings Funds Management, Westpac Funds Management and related entities and also Chairman of Australian Income Protection Pty Ltd. From early 2000 he was CEO of ARIA (formerly PSS/CSS) the superannuation (pension) schemes for federal government employees. When Steve left ARIA in January 2008 it had close to \$A 20 billion under management. Prior to ARIA Steve was Executive Officer of the Australian Institute of Superannuation Trustees (AIST). His earlier career was in the trade union movement.

Steve was a member of the steering committee and investor group that developed the PRI.
